 Bicycle Tour**

**September 18, 2010**  
**8AM - 4PM**

*Start and Finish -Noble Park

*Choice of 25, 40, 65 or 100 mile route.*

The members of Chain Reaction Cycling Club and the folks at BikeWorld invite you to participate in the 21st **Misaligned Minds Bike Tour**. This is not a race. You don't have to be a big time rider to take a day and enjoy the adventure of the *Misaligned Minds*.

You have all day to explore the unspoiled country roads of western Kentucky's Jackson Purchase area. If you're somewhat fit, it's easier, but if you can pedal leisurely for three hours you can successfully complete the short route before heading to lunch.

Whether this is your first tour or your fortieth, you'll feel the power of traveling miles relying your own power. You'll experience the special ambience of the very rural area. And, somewhere along the ride you'll discover the mystical magic of a

*Misaligned Mind.*

***What to Expect***

**Support:** Each route will have rest areas with food, drink and toilets. Drivers in follow vehicles will rotate through the routes to assist in case of mechanical difficulties, offering emergency food or drink and to pick-up any rider looking for a rescue. Routes are clearly marked with arrows marked prominently on the pavement. Each rider also receives a route map.

Rest areas and follow vehicles are available till 4 PM. There's no rigid itinerary. Riders chose the pace and route best suited to their abilities. Mass start. All riders use the same route for five miles then the routes divide.

**Route:** The tour starts at the edge of town, but after the first three miles there are wide expanses of almost empty roads bordered by green countryside.

The 25 and 40 mile routes are flat. Even beginners can complete them in time to celebrate with lunch at one of the outstanding restaurants unique to Paducah.

The 65 starts flat then has some light hills before flattening out for the final 20 miles.

Century riders get some of almost everything, including a few challenging climbs, but western Kentucky doesn't have any mountains. Riders used to steep roads will find this an easy one hundred. Faster

riders often turn in sub 5 centuries!

**Required:** Riders must wear helmets and obey traffic laws.

**Tee-shirts:** A souvenir tee is included with registration, except for "Bareback" Family registrations receive 2 tees. Additional shirts may be purchased for \$15 each.

**Early Registration:** Registrations postmarked by September 8, 2010 receive a gratitude discount. See entry for details.

**Earn a Misaligned Minds tee- minus the ride** Volunteers make the *Misaligned Minds* possible! "Misaligned Minds Event Staff" are needed for registration, rest stops and support vehicles. Prior to the event, volunteers mark roads, print maps, stuff bags, and bake homemade goodies. Four hours of work earns you a shirt! To volunteer: 442-0751/ info@bikeworldky.com
